SB 1234: prohibition; photo radar

Sponsor: Senator Rogers, LD 7

House Engrossed

Overview

Forbids the use of photo enforcement systems to enforce traffic law.

History

A *photo enforcement system* is a device consisting of a radar sensor linked to a camera that produces recorded images of a vehicle's license plate for the purpose of identifying violators of state traffic laws or speeding laws ([A.R.S. § 26-601](#)).

Statute currently regulates photo enforcement systems in various ways, including prohibiting their use on state highways and requiring certain signs and notices of their use to be posted ([A.R.S. Title 28, Chapter 3, Article 21](#)).

Provisions

1. Prohibits local authorities or state agencies from using a photo enforcement system to identify violators of state or local traffic or speeding laws. (Sec. 5)
2. Repeals various existing sections of statute relating to photo enforcement system to conform with the prohibition. (Sec. 4, 6)
3. Redefines *photo enforcement system*. (Sec. 1, 3)
4. Contains an intent clause. (Sec. 7)
5. Makes conforming changes. (Sec. 1, 2)
